Our 2 dental clinics were established in 2006 by Australian Dentist and Director of Youraid Dr. Cecila So.

How we achieved the milestone of treating 100,000 kids

Our first brand new dental chair has been donated by volunteer Dentist Dr. Stassen Lieve.

Our first mobile clinic has been donated by Dr. Serge Bodlander and late Ian Murry

First mobile X-Ray machine is a donation of the Australian Dentist Dr. Steven Cohn.

Overseas Volunteer Dentists, Dental threapists helped us to make the dream of our kids come true. The invaluable contribution of our volunteering friends is greatly appreciated.
