These generous Australians donated further \$3,000 to run the library for one year. This library will visit between 20 - 30 schools in a month reaching between 2,000 to 3,000 kids.

Story of Our Dental Volunteer

“ I was looking to volunteer for an organization in which I could contribute to something more meaningful, and now I am leaving with my heart full to its brim”, said Codie Abley, the Australian dental nurse from Braitling, Northern Territory, who volunteered in all our clinics including the mobile for one week.

I am astounded at how hard the team at BLCP work, in order to create better future for the children of Cambodia. My eyes have opened to a whole new level and I feel inspired” she further said. She is already thinking about her next trip back!.
