Paget Sayers, the Founder of Buddhist Library, Buddhist Library Cambodia Project and Asia Aid Passed Away.

It is with great sadness that we announce that Paget Windeyer Sayers, 89, passed away peacefully on Saturday 29th of September in Bowral Hospital with his carer and friend Karen Elise Cassidy by his side. Paget was a futurist and philanthropist and founded the Buddhist Library Camperdown, Buddhist Library Cambodia Project in 2006 and Asia Aid Ltd (youraid).

Through his projects in Cambodia he has given fresh water, opportunities through education, and dental care to hundreds of thousands of children, benefiting their health, well-being, and opportunities.

He prides himself in having 0% administration fees in all his charities, such that every dollar donated went directly to the children they intended to help. Through his kindness, compassion, and generosity, 8802 water tanks have been built, 121,000 children's teeth have been treated, every day 2890 children receive advanced education to better their opportunities in life. May we all share in the merits gained, cultivate loving kindness and wisdom, culminating in the attainment of Nibbana, the cessation of all suffering.
